depth - 2 " 51 mm

sound hole diameter - 2" 51 mm

*Fingerboard* - length - 11 3/4 " 298 mm

frets - 18

screws - 5

### *Design Concept*

The tenor has a sound all of its own – mellow and rich, with the longer strings producing greater sustain. Chording becomes easier due to the wider fret spacings. The construction assembly is identical but care must be taken with the neck line-up.
