depth - 1 1/2" 38 mm

sound-hole diameter - 1 1/2" 38 mm

Fingerboard - length - 7" 178 mm

frets - 2

screws - 3

Design Concept

Simplicity and low budget essentially for educational applications. The two frets, 5 and 7, produce the IV and V chords in open tuning allowing for immediate chording. Although intended for children, adults also enjoy building the trilele.
